ITEM No. 10

Dated Bangalore, 24th August 1911.

SIR,

In continuation of this office endorsement C.D. No. 97/98, dated the 13th June 1911, I am directed to forward herewith, for the information of the Government of His Highness the Maharaja of Mysore, a copy of letter No. 6071-D, dated the 8th/18th August 1911, regarding applications from persons desirous of obtaining cards of admission and tickets for the Durbar and other public ceremonies during the residence of Their Majesties the King-Emperor and Queen-Empress at Delhi in December next.

2. I am to request that you will be so good as to forward to this office, by the 15th September next, lists of persons belonging to the Mysore State (a) recommended for seats in the Durbar, (b) for places on the Spectator's mound, (c) for seats at the Review, (d) for invitations to the Garden Party, (e) for admission to the polo matches and the Military tournament. The lists should contain information as to the address and the social position of the persons included.

3. A notice has been published in the local newspapers, ~~papers~~ requiring all persons desirous of obtaining cards of admission and tickets to the various ceremonies to apply to the Secretary to the Government of Mysore, Revenue and General Department, by the 5th September 1911, and I am to suggest that this notice may be re-published in the Mysore Gazette for general information.

4. Applications already received in this office are forwarded herewith for favour of disposal in the light of the instructions now communicated.

I have the honour to be,

Sir,

Your most obedient servant,

First Assistant Resident.

Letter No. 6071-D, dated the 8th/18th August 1911, from V. Gabriel, Esq., C.V.O., I.C.S., Secretary, Coronation Durbar Committe, to the Hon'ble the Resident in Mysore.

I am directed to address you, in continuation of my letter No. 3976-D., dated the 30th May 1911, regarding applications from persons desirous of obtaining cards of admission and tickets for the Durbar and other public ceremonies during the residence of Their Majesties the King-Emperor and Queen-Empress at Delhi in December next.

2. The Coronation Durbar Committe, I am to explain, will arrange for the distribution, through the camp enquiry offices, regarding which a further communication will be made to you, of tickets for persons in the central and provincial camps, the visitors' camps, the military camps the press camps, railway camps, and all other recognised camps within the Durbar area. Applications from persons not resident in any of these camps and from Indians living in the visitors' camping grounds, who desire to obtain tickets for the Durbar and other public ceremonies, will, however, only be considered if received through the Local Governments within whose territorial limits they ordinarily reside, or in the case of Native States, through the Political Officers, and the Committee will be grateful to the Local Governments and the Political Officers if they will give their assistance in this matter.

3. At the Durbar there will be an amphitheatre (a) in which the chief officials of Government, the Ruling Chiefs and the representatives invited to the provincial camps will be seated, and behind them, places for all privileged spectators, European and Indian, will be provided.

There will also be a spectators' mound (b) facing the amphitheatre, to accommodate 50,000 persons. One-third of the places on this will be reserved for persons holding cards of admission, and for the remainder no tickets will

be required. Five thousand of the reserved places will be assigned to school children and the balance (approximately 11,000) to persons having cards of admission.

4. The Committee do not propose to issue invitations as privileged spectators in the amphitheatre (a) to Indians who are not of good social position, and the number to be assigned will necessarily be limited. I am therefore to request that, where regular durbar lists are maintained, only persons who are Durbaris themselves, or who belong to the families of hereditary Durbaris, may be recommended for these invitations, and that where regular durbar lists are not maintained, recommendations may be confined -- strictly to persons whose social position is assured with reference to the occupants of the Durbar. This is a matter on which the Ruling Chiefs and other distinguished Indians who will be present in the amphitheatre feel very strongly and the Government of India are of opinion that their views on the matter should be scrupulously regarded.

5. Reserved places on the spectators' mound can be given to persons who have not the social position to justify their being accorded the privilege of places in the amphitheatre. Seats will not be provided on the spectators' mound, but ticket holders will be allowed to take folding seats or camp stools with them.

6. The other public functions will be the Review and the Presentation of Colours, and accommodation at both will necessarily be very much smaller than at the Durbar. Cards of admission will not be issued to persons not resident in the recognised areas unless they are of good social position, and I am to ask that recommendations for these occasions may be made with due regard to this principle. The Committee will do what is possible to secure cards for all persons recommended by Local Governments or

Political

Political Officers, but, in view of the likelihood of the number of applicants exceeding the number of tickets -- available, they can not engage to do so in every case.

Admission to the polo matches and the Military tournament will be on payment, and the same principles will be applied in the sale of tickets for these events, at which it is expected Their Majesties will be present. All residents in the recognised camps will be eligible to purchase tickets, and persons outside those camps will only be permitted to do so on the recommendation of the Local Governments or Political Officers up to the limit of accommodation available.

7. Tickets, cards of admission, and invitations, whether for actual residents of the different camps, or for other persons coming from the area represented will be distributed only by the camp staff officer for each group and ~~not~~ none will be issued direct to inviduals by the Invitation Bureau.

8. Commands to entertainments in the King-Emperor's camp and to Their Majesties' garden party are outside the scope of the Committee's arrangements, and depend entirely on Their Majesties' pleasure. No lists of names or recommendations therefore are required for the former, but to assist Their Majesties' Households as regards the latter, the Committee will be glad to receive recommendations based on the lists for the Durbar amphitheatre.

9. I am to request that, if there be no objection, a register may be opened of the names of all applicants which you desire should be considered for admission to the functions referred to in paragraphs 3,4,5,6 and 8 above. This register should be divided into five portions, (a) recommendations for seats in the Durbar, (b) for places on the spectators' mound, (c) for seats at the Review, (~~d~~) for invitations to the Garden Party, (e) for admission to the polo matches and the Military tournament.

It

It is requested that all recommendations may be forwarded to the Durbar Committe by the first of October next.

A further communication will be made when possible, showing the maximum number of places at each of the functions that can be allotted, but in the meantime it is desirable that the register so far as possible should show the names in the order of preference of allotment in case the number is greater than can be provided for.

D.C.D.No. 66.

Camp Mysore,

12th September 1911.

My dear Sir,

At the instance of the Coronation Durbar Committee, the Residency has called for a nominal list of persons desirous of securing tickets of admission to the several public functions at Delhi. In accordance with the Residency Notification published in the Bangalore Newspapers, applications have been received by the General Secretary to Mysore Government and the list is under scrutiny. The list is due to the Residency on the 15th instant.

2. I am to request that you may ~~would feel obliged if you can kindly~~ find it convenient to furnish me with a revised nominal list of Sirdars, Ursu gentlemen and State officers for whom tickets have to be issued by the Durbar Coronation Committee. Any changes in the list may be intimated to the Residency hereafter.

Sir,

With reference to your letter No.C.D.214 dated 24th August 1911 regarding lists of persons desirous of obtaining cards of admission and tickets for the Durbar and other public functions at Delhi, I am directed to forward 4 lists marked A, B, C and D.

2. In list A, 7 names are recommended for admission to the Durbar. These gentlemen are either by their official or social position entitled to invitations at the Mysore Palace Durbars. List B contains the names of persons recommended for tickets of admission to the Spectators' mound.

3. In lists C and D are included the names of gentlemen for

tickets of admission to the review and to the Polo.

4. The Durbar does not propose to recommend any one for an invitation to the Royal Garden Party.

5. There are a few officials proceeding to Delhi on duty with His Highness and the Dewan, and the Durbar would like that they should be given tickets of admission to seats behind the Durbaries. I may state that these are entitled to the privilege of attending the Mysore Palace Durbars. Their names are shown in list marked E.

6. Besides the above officials, there are several others of standing accompanying the Palace party and in order to provide for this contingency, I am to request that an application for 30 blank tickets of admission to the seat behind the Durbar may be kindly made to the Coronation Durbar Committee.

FROM

P. B. WARBURTON, ESQ., I. C. S.,
FIRST ASSISTANT TO THE RESIDENT IN MYSORE.

To

The Dewan of Mysore.

Dated Bangalore, 26th September 1911.

SIR,

With reference to the correspondence ending with Mr. Balasundaram Iyer's letter No. 200, dated 16th September 1911, I am directed to address you in further detail on the subject of the seating arrangements at the Coronation Durbar, and to forward a lithographed plan showing the accommodation that will be provided for spectators and durbaris.

2. From this plan it will be seen that, as already mentioned in letter No. 6071/D, dated 24th August 1911, from the Secretary to the Coronation Durbar Committee, the Durbar area is circumscribed by two large structures, an outer segment designated the Spectators' Mound and a smaller Amphitheatre, corresponding in position and form with that constructed for the 1903 Durbar. The Spectators' Mound is intended entirely for the general public, and the Amphitheatre for persons entitled to seats in the King-Emperor's Durbar and for privileged visitors, the general principle being to draw as complete a distinction as possible between the

R. O. 2.—R. P. B.—8-1911.—3,000.

durbaris and the spectators.

3. The accommodation for the general public is uncovered, and provides for a total of some 50,000 -- persons, who will not be given seats, but will be arranged in parallel ranks separated by strong iron barriers, and facing the Royal Pavilion.

5,000 places will be reserved in the centre for school children, and 11,000 for persons whom it is desirable to differentiate from the general public, but who are not entitled to seats in the Durbar. No seats will be provided in this reserved space, but persons who are accommodated in it will be permitted to bring their own folding seats or camp stools.

Tickets of admission will be issued for the reserved spaces, but the remainder of the accommodation will be open to the general public without restriction.

I am to ask whether the Durbar have any modifications to suggest in the list of persons recommended by them for tickets of admission for places in the -- Spectators' Mound.

Both the broad and narrow gauge railways have -- stations at the back of the mound for the general public and the railways will be the principal means of access to it, the roads leading to the Durbar area being closed from an early hour to all except the holders of privileged passes, though some of them will be available for foot passengers and for persons coming from certain of the camp areas and from the city of Delhi.

4. The Amphitheatre for durbaris, as shown in the accompanying plan, contains 26 rows of seats. These are all under cover of a roof, except the two end blocks on each side, and are arranged in groups of 4,12 and 10 from front to back, separated by broad gangways. They are divided up into 28 radial blocks.

5. The various categories of persons to be seated in this are as follows:-

(1) The Heads of Local Governments and Administra-

tion

Administrations and their official and private guests.

(2) The Ruling Chiefs and their official and Private guests, including their sardars and Principal officers.

(3) The Members and high officers of the Government of India.

(4) The Colonial Governors and their staffs.

(5) The Imperial and Provincial Councils.

(6) The Army Commanders and Staffs.

(7) Members of the Indian Military Orders and the holders of certain military and other decorations.

(8) The families of military officers on duty at Delhi.

(9) Railway officials.

(10) Press representatives.

(11) The guests in the Visitors' Camps.

(12) Peers and Peeresses and Members of Parliament and families.

(13) Foreign representatives and consuls.

(14) Representatives of the mercantile marine.

(15) Officers of the Army and Imperial Service Troops not on duty.

Wives and families are included under each of these heads where not specifically mentioned.

6. The seats will be divided up radially among the various provinces and states, and the internal arrangement of the provincial blocks will, subject to the remarks which follow regarding the front row, be left entirely to the Local Governments and other authorities concerned, who will no doubt order the seating in the most convenient manner with due regard to precedence from front to back, and to the requirements of the -- homage ceremony, for which those who have to advance to

the

the throne should be grouped together so far as possible.

The Members and high officers of the Government of India will occupy the centre blocks, and the Local Governments and Administrations and Native States those on each side, the Local Governments being arranged alternately right and left in their order of precedence. The Native States in political relation with the Government of India are, to avoid difficult questions of precedence, similarly arranged in territorial groups. Within each group, the order in which the Chiefs will sit is left for the local political authority to determine, subject to the approval of the Government of India in the Foreign Department to whom the proposed seating should be communicated as soon as possible; and it is hoped that by suitably arranging them round the Governor or chief political officer as was done in 1903, all ground for discontent or friction will be avoided.

The grouping will thus be as follows:-

*Right	Left.
Madras.	Bombay
Hyderabad	Baroda.
Bengal.	United Provinces.
Mysore.	Kashmir.
Punjab.	Burma.
Rajputana.	Central India.
Eastern Bengal and Assam.	Central Provinces.
Baluchistan.	North-West Frontier Province.
	Sikkim and Bhutan.

7. All persons who have to take part in the homage ceremony must be in the first four rows and should be seated in such a way that they can leave their places for this purpose with a minimum of disturbance.

In the Provincial and Native State blocks the front row

row will be reserved entirely for-

(a) The Heads of the Local Governments and Administrations and their wives.

(b) Ruling Chiefs down to and including those -- having salutes of 11 guns, but not below.

(c) The members of the provincial executive councils and their wives.

(d) The Chief Justices of the High Courts and their wives.

(e) The Bishops of Madras and Bombay and their wives.

A statement is attached showing the provisional list of occupants of the front row in each block.

The front row of the central blocks will include the following high officers with their wives:-

The Commander-in-Chief.

The Chief Justice and the Puisne Judges of the High Court at Fort William in Bengal.

The Metropolitan.

The Members of the Governor-General's Council.

The Naval Commander-in-Chief.

The Governors of the Asiatic Colonies.

The Chief of the Army Staff, the General Officers Commanding the Northern and Southern Armies.

Behind these, in the same radial blocks, will sit the members of the Governor-General's Legislative Council, the principal officers of the Government of India invited to the Government of India Camp, the officers of Army Head-Quarters, Peers and Peeresses and Members of -- Parliament and their families, the guests in the Royal Camp, the wives and families of the Durbar Committee and other civil officers on duty.

8. Chiefs having salutes of 9 guns should be seated in the second row, also the Puisne Judges of the High Courts (other than at Fort William) and their wives, and the Chief Judges of the Chief Courts of Burma, and the Punjab; also subject to such arrangement as local conditions

may demand, the political officers with the chiefs in the front row and the principal sardars in attendance on the latter.

9. Non-salute Ruling Chiefs, Bishops other than those already mentioned, Judges of the Chief Courts, the Chief Secretaries of Madras and Bombay, and Judicial Commissioners, should ordinarily be in the third row. The members of the provincial legislative councils would also be accommodated in this and the fourth row, also where possible, the Diwans and chief judges of the Native States. The remainder of the guests, officials and other visitors will be arranged in the 22 rows of seats behind these.

10. The maximum number of seats that can be allotted to the Mysore State is 50, and I am to ask you to be so good, as early as possible and not later than 30th September, to furnish me with a statement showing ⟹ their allotment among the Sardars, guests and visitors from Mysore.

11. In addition to the seats provided for the provinces and states, there will be a block of 600 for the Visitors' Camps, another of 1,000 for Veterans and members of Indian Military Orders, one of 700 for the wives and families of military officers on duty, and another of 300 for military officers not on duty with the troops.

Places will also be reserved for the representatives of the Press, for railway officers and for representatives of the mercantile marine.

A number of purdah enclosures, divided up into separate boxes, will be provided at the back of the central blocks, and accommodation will be arranged for these for purdahnashin ladies of high rank.

12. Children under 10 years of age will not be given places in the Durbar, but Local Governments and Administrations are at liberty to include in their lists the nam

of children above that age belonging to the families of persons who themselves have seats in the Durbar or are entitled to seats, though absent.

I have the honour to be,

Sir,

Your most obedient servant,

For First Assistant Resident.

Sir,

with reference to your letter no C. D. 280 of 26/9/11 regarding the seating arrangements at the coronation Durbar I am desired to state that the details are noted and that the number of Durbaris will be limited to sixty as mentioned in para 10 of your letter. A list of the sirdars, officers & guests who are expected to be present on the occasion, is herewith sent for your information

SUBJECT.

It is just possible that at the last moment there may be some changes in this list in the list, but it is presumed that so long as the numerical limit is not exceeded, this will be a matter of little importance. Under these circumstances the Durbar have no further modifications to suggest in the list of persons recommended for tickets of admission for places on the Spectator's mound.

Bangalore,

3rd November 1911.

My dear Sir,

As I have already informed you I intend to go to Delhi via Calcutta and it would be convenient if I leave about the 12th instant. May I request the favour of your permitting me to do so? The journey is a very long one and some rest in the middle might be necessary. Also to be sure of accommodation in train some margin of time has to be kept. On your kindly approving of the date I shall send copies of my programme to the Secretariat and to Govinda Rao.

Yours sincerely,

B Chakravarti

My dear Sir,

I placed before the Dewan your letter of the 6th instant. The name of Mr. K.S. Ramaswami Iyer has been included in the list of persons recommended for admission to the principal functions connected with the Coronation Durbar. As regards leave, the Dewan finds some difficulty in granting you leave as there is no officer available to take your place. It is not convenient or possible for more than one Assistant-Commissioner in a District to go on leave.

Yours Sincerely,

My dear Govinda Rao,

I am in receipt of your D.O. letter D.C.D.No.165 of 2-11-11 with enclosed statement as also D.O. letter D.C.D.No.187 of 6-11-11 in continuation of it and thank you for them all.

Of those whose responses are not yet known here, I think it may be safely assumed that Messrs Nanjundayya and Sparkes will accept the invitation. The intimation being late, it remains to be seen whether Mr.Dorasamier and Major Henderson will be able to accept the invitationssent to them. It is rather a matter of some surprise to me that

invitations should have issued at all to Officers of the personal staffs of His Highness and the Dewan, respectively, but now that they have, it may be assumed with certainty that the response is an acceptance by implication in the case of such who have not replied ! As the " R.S.V.P." was to the General and Revenue Secretary, I do not think that any one of the invitees would have sent his reply to either Mr.Campbell or to me.

I now send enclosed for the information of the Dewan two statements giving details of allotment of rooms and messing arrangements respectively. You will note that the Annexe has been reserved entirely for the Dewan Sahib and his staff under His Highness' orders,

an arrangement, which, it is hoped, will be acceptable to him. As soon as the details of carriage arrangements have been settled, I hope to be able to send you a similar statement with reference to that as well.

I am,

Your sincerely,

P. Rajagopalachariar.

D.O. No. C.7.

Mysore Geological Department.

Camp Saulanga, Bangalore, 11th November 1911

Dear Mr Balasundaram Iyer,

I observe that the list of Officers proceeding to Delhi in connection with the Imperial Coronation Durbar appended to Official Memorandum No. G. 2500-47-G.M. 161-11-1, dated 7th November 1911, includes the State Geologist, but at an interview I had with the Dewan a few days previous to the date of that Memorandum I was told that I was not on the list for Delhi as I was " Officiating ". As, however, the Memorandum in question is of a more recent date than that on which I interviewed the Dewan and as the list appended thereto contains the official designation and not the personal names of the officers who are desired to proceed to Delhi, and also as Dr. Smeeth will not, as far as I know, return to India before the middle of March next, I shall be much obliged to you if you will kindly let me know as early as possible whether it is the

intention

intention of Government that I, as Offg. State Geologist and Secretary to Government, Geological Department, should go to Delhi in accordance with the aforesaid Memorandum, since it is the case that not only those in the permanent posts are on the list as it at present stands.

Yours sincerely,

E W Nethercot

Balasundaram Iyer, Esq., B. A.,
Offg. Secretary to Government,
General and Revenue Departments.

Sir, I have much regard for the kind invitation of the Hon.ble Congress during their recess to Trenton, & strictly replect that they are vested to accept no Major Generalship but by an act of the Supreme Power of the Camp. ——

Bangalore.
13th Nov. 4.

My dear Sir,

In continuation of my D.O. letter No. 165 of 2nd instant, I am directed to inform you that Mr Pilkington has accepted His Highness' invitation to Delhi. As Mrs. Pilkington happens to be in England, she is unable to accept the invitation.

Mr. K.S. Doraiswamy Iyer writes that, owing to his inability to leave Bangalore for sometime, he should be unable to respond to His Highness the Maharaja's most gracious Command to attend the Coronation Durbar Celebrations at Delhi!

Major & Mrs. Henderson states that they are unable to accept the invitation" as Major Henderson will be on duty in the Imperial Services Camp"

Yours Sincerely,

(P. Raghavendra Rao Iyer.
Assistant Secretary

Letter No. 2425-S.(Pol.), dated the 27th September 1911, from the Chief Secretary to the Government of the Punjab, to the Secretary to the Government of India in the Foreign Department.

****

I am directed to enquire whether Punjab Chiefs and gentlemen who hold Honorary Commissions in the Army should wear uniform or plain clothes on the occasion of the Coronation Darbar at Delhi. The Lieutenant Governor thinks that perhaps they should wear uniforms at the Review and on quasi-military occasions, and Indian Darbar dress at the Darbar.

&&&&&&&&&&&&&&&&&&&&&&

Letter No. 2450-I.B., dated the 8th November 1911, from the Deputy Secretary to the Government of India in the Foreign Department to the Chief Secretary to the Government of the Punjab.

I am directed to acknowledge the receipt of your letter No. 2425 -S (Pol), dated the 27th September 1911, regarding the dress to be worn by Chiefs and Indian gentlemen who hold -- honorary commissions in the Army at the Coronation Durbar and other functions at Delhi.

2. In reply, I am to state that such Chiefs and gentlemen may, at their option, wear either military uniform or Indian dress, according to the taste and means of the individual concerned. But the wearing of uniform would, at military functions e.g. at the Review, be a more fitting mark of appreciation of the high honour which the right of wearing it confers.

3. Chiefs and gentlemen who elect to wear uniform will of course be expected to comply with the orders prescribed for

officers of the Army and Navy as regards the class of uniform to be worn, i.e., whether full dress or undress, according to the occasion.
